

# THE SCOOP ON CRAZY DAZE

Volume 1, Issue 1

July 6, 2020

## Parent Reminders:

**MASKS:** Send your child with two child sized masks each day. If you only have adult sized masks please alter them to fit your child's face - be sure it doesn't hang off their face. It should cover their nose and mouth. Wash fabric masks regularly.

**SNACKS:** Don't forget to pack your child two snacks each day. We're encouraging the campers to not eat their afternoon snack at lunch time but many are "starving".

**CUBBIES:** Cubby's have to be emptied every night - the only exceptions are art bags and sunscreen. Water bottles need to go home to be washed every day. Art bags go home every Friday and come back on Monday.

**TOWELS:** Once it stops raining we'll start our water activities outside. After water activities we'll be hanging towels on the fence. If your child's towel is still hanging on the fence when you pick them up please take it home with you.

**SNEAKERS:** Campers need sneakers for running in the gym and running on Doyle Field. Please toss a pair in your child's bag each day. We all want to run fast!

**WATERBOTTLES:** It's hot and we play hard! Don't forget to send a water bottle with your camper each day.

## Week One Wrap Up:

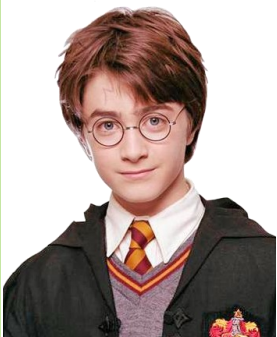

The first week back at camp after a long break from life as we know it started out slowly and cautiously by everyone. There are a lot of new routines to learn and everyone did a great job of washing their hands after every activity, and have been mindful of their space and belongings.

The rain at the beginning of the week may have taken away our outside play time but our amazing staff kept everyone busy with action filled gym games. Crazy Daze campers have a pool table to use for the summer! The pool table comes out for special occasions, and this summer is the perfect time to offer an extra special game at camp. The Crazy Daze campers are doing a great job of following the rules of safe spacing while catching up with their friends.

The weekly water slide was moved to Thursday due to the holiday weekend. We were excited to see the sunshine and a beautifully warm day! Perfect for jumping through sprinklers and zooming down our giant water slide!

On Friday, July 3rd the camp celebrated Independence Day with patriotic themed activities, flags, and enjoyed every kid's favorite freedom: The Freedom to Make Slime. *(You're welcome parents, now you don't need to make it at home!)*
