Rules 2023 - All Divisions

3. Any roster changes prior to week two will be allowed only due to extenuating circumstances, and with the permission of the Deputy Director.
4. At no time will a lower recreation division player be substituted by an upper recreation, or power, caliber player. The Deputy Director will have final judgement.

11. Substitutions will follow USVBA rules, however, teams may elect to rotate substitutions into game on the serve if they desire. A late arriving player may enter the game in a normal rotating basis.
12. No jewelry will be permitted.
13. To begin play the captain will call the toss of a coin for choice of; team area (side) or the service. The winner of the toss chooses to either; serve first, or choose their team's side for the first set. The loser of the toss receives the remaining option. Before the beginning of the deciding game of the match, the captain of the team not calling the toss for the first game shall call the toss of the coin with the above described options. *Captains may elect not to change playing area (side) in the deciding game.*
14. Rotation: Players will rotate on the serve. Including the first serve of the match.
